PROFESSIONAL SUMMARY

"Motivated BCA graduate currently pursuing MCA, with a strong passion for UI/UX design and a keen eye for aesthetics and user- centric solutions. Possesses hands-on knowledge of HTML, CSS, JavaScript, Tailwind CSS, and Bootstrap, enabling the creation of responsive and visually appealing interfaces. Seeking an opportunity to leverage my technical foundation and creative skills to contribute to innovative and impactful digital experiences. Eager to grow as a UI/UX designer while enhancing my knowledge in development and design through real-world projects."

PROJECT

Donut Store
UI Design - Figma
Designed a clean and visually engaging UI for a donut store with a strong focus on a user-friendly layout. Emphasized attractive product visuals and clear visual hierarchy to enhance user attention. Ensured easy navigation and a seamless ordering experience to improve overall usability..

Red Bull Buying
UI Design - Figma
Designed a dynamic Red Bull buying app UI using Figma, incorporating engaging animations, smooth transitions, and bold visuals to reflect the brand's energetic and vibrant identity.

IceCream Parlour

wireframing-Figma

Designed a user-friendly wireframe for an Ice Cream Parlour website, focusing on intuitive navigation and clear visual hierarchy. Created low-fidelity layouts to organize key sections such as menu, flavors, offers, and contact details. Applied core UI/UX principles to improve user flow and enhance the overall browsing experience.

Amazon Clone

frontend

Developed an Amazon Clone web application using HTML, CSS, and JavaScript. Implemented product listing, search, and cart functionality for a realistic shopping experience. Enhanced UI/UX with responsive design and interactive features to mimic e-commerce workflow.

To Do Lists

frontend

Created a responsive To-Do List web app using HTML, CSS, and JavaScript. Implemented features to add, delete, and mark tasks as complete for efficient task management. Enhanced user experience with interactive design and real-time updates.
